WIC and Vital Statistics office has moved

On July 1 WIC (Women, Infants & Children) services expanded, adding an additional office at 1100 Loveland Blvd., Port Charlotte. This will become the WIC main office, open Monday through Friday.

Clients need to be aware the Punta Gorda office will be closed June 29 and 30, and beginning July 1 will be open on Thursdays only.

The Office of Vital Statistics will be located at the Loveland Blvd. facility, as well. Vital Statistics, which handles birth and death records, closed their Punta Gorda office on June 29 and re-opened in Port Charlotte on July 1.

Charlotte County Health Department Administration staff moved to the second floor of the new facility on Loveland Blvd., a few weeks ago. The Port Charlotte clinic, currently located on Kings Highway, will move later in the year.

A Grand Opening of the entire facility will be held July 21 at 1 p.m. Mark your calendars, everyone is welcome.
