Applications accepted for kids' dental program

Applications now are being accepted for qualified children in kindergarten through 12th grade to receive dental care during the fourth annual Give Kids A Smile program. The program will provide dental care to children of Charlotte County who have limited access to dental care.

Parents or legal guardians of children enrolled in the in the Charlotte County Public School system may contact the school nurse for applications. To receive applications for children who are not enrolled in public school, contact Janet Martire at 941-639-1181, ext. 2237. The Give Kids A Smile Clinic will be held in January and February. To be considered, applications must be completed and returned by today.
