**CHARLOTTE COUNTY HEALTH DEPARTMENT RELEASES  
INFORMATION TO HELP PROTECT AGAINST SWINE FLU INFECTION**

**Port Charlotte, FL** — The Florida Department of Health, Charlotte County Health Department (CCHD) is actively monitoring the “Swine Flu” situation in the State of Florida. CCHD is compiling information for both the public and professionals to assist in reducing the spread of Swine Flu. CCHD’s Swine Flu Fast Fact Sheet-which includes all local information in regards to the Swine Flu situation, CCHD’s daily Incident Action Plans (IAPs) to show how community agencies are preparing, Swine Flu hotline numbers, links to guidance documents and other helpful information can be found and printed at [www.CharlotteCHD.com](http://www.CharlotteCHD.com).

CCHD has compiled a one page *Fast Fact Sheet* which centralizes all local information on this situation. We strongly encourage citizens and community businesses to view, print and share this information as much as possible. This *Fast Fact Sheet* will update as the situation changes, so always check back for new information.

Charlotte County Health Department strives to keep the public informed of all developing situations, and encourages everyone to visit our website for the information in regards to Swine Flu.

For more up-to-date information about health department programs, you can visit our website [www.CharlotteCHD.com](http://www.CharlotteCHD.com).
